PRINCIPAL'S DESK

JILJA RAJESH

Welcome to Kuttukaran Polytechnic College, where we strive to edify, empower, and explore the potential within every individual. As the Principal of this institution, it is my pleasure to share with you our vision, mission, and commitment to excellence.

At Kuttukaran Polytechnic College, we aim to facilitate the growth and evolution of capabilities, turning them into tangible competencies. Through our rigorous academic programs, practical training, and industry-relevant curriculum, we ensure that our students develop employability skills that meet the demands of the ever-evolving job market. Our college management, deeply rooted in the automobile industry, understands the importance of skill development in today's competitive world. We are dedicated to providing a platform for students to explore and improve their individual skill sets. We constantly strive to cater persistently to the demands of the industry. By nurturing partnerships with leading organizations, we stay abreast of the latest trends and technological advancements.

This collaboration allows us to equip our students with the necessary skills and knowledge to excel in their chosen fields. Our dedicated faculty members, who are experts in their respective domains, ensure that our students receive the best guidance and mentorship throughout their educational journey.

We take pride in our college slogan, "Edify, Empower, Explore," which embodies our commitment to nurturing well-rounded individuals who are not only academically proficient but also possess strong character and values.

I invite you to embark on this exciting journey with us at KPTC. Discover your true potential, develop valuable skills, and unlock a world of opportunities. Together, let us strive for excellence and create a brighter future.

DIRECTOR'S DESK

PRASANNA SINGH

Greetings from Kuttukaran Polytechnic College!

Kuttukaran Polytechnic is a group member of a largest automobile dealers spread across south and expanding to north. Hailing from family business our group has disciplined into dealership of automobile, education and empowerment.

Kuttukaran polytechnic college incepted on March 21 st , 2022 on the auspicious day of "Founders day" by acquiring Matha College of technology. We facilitate the domains of Automobile , Mechanical , Electrical and Electronics , Civil and Computer.

We believe in nurturing intellects of the youth, giving them equal platform to explore in turn facilitating to empower themselves with skills and knowledge of employability and entrepreneurship.

Hailing from the Industry, we believe in Holistic approach of experiential learning with hands on Practical knowledge based with strong theoretical concepts.

Extra-curricular activities of sports, clubs, E-cell, Tech fest, internships, Educational tours also plays a vital role in learning's of the students that's how we imbibe all these during the course of learning. Placement and training Wing along with Industry – Institution – Interaction cell gives students exposure to Expert sessions, Training, Effective communication and grooms students for "Entering into World of Work"

Though our Journey has just begun, we assure you to get "Industry ready "with a proven track record of 80 years of Kuttukaran Legacy. Guiding Management, dedicated teachers, Understanding parents and supportive stake holders will together make the "Learning ambience" and we vouch for this. "May I now, take this Opportunity to welcome all the stakeholders to be part of this Endeavour and be with us to Excellence

EDITORIAL

It is a matter of great pride to present the 1st issue of e-News Letter of KPTC in the context of courses available with the Institute. As we know, e-News Letter has been a great creation of our institute and it is the result of efforts of all the active members of editorial board, concerned authorities, and students who created their unforgettable memories, now blossomed as success stories and events. We express deep sense of gratitude for all those who directly or indirectly contributed for making this first issue of KPTC's e-NewsLetter, a plethora of institutional progress and achievements. We are thankful to our Principal, management and all teaching and non-teaching staff for their guidance and cooperation to bring out this issue.
