## NEWS FROM INSIDE

- | Annual Day inaugurated by Ms. Ani Abraham, Joint Director, SITTR, Kerala.
- | Placement Drive at KPTC
- Best Performance Award 2024

# DIRECTOR'S DESK

PRASANNA SINGH

Greetings from Kuttukaran Polytechnic College!

Kuttukaran Polytechnic is a group member of a largest automobile dealers spread across south and expanding to north. Hailing from family business our group has disciplined into dealership of automobile, education and empowerment.

Kuttukaran polytechnic college incepted on March 21 st , 2022 on the auspicious day of "Founders day" by acquiring Matha College of technology. We facilitate the domains of Automobile , Mechanical , Electrical and Electronics , Civil and Computer.

We believe in nurturing intellects of the youth, giving them equal platform to explore in turn facilitating to empower themselves with skills and knowledge of employability and entrepreneurship.

Hailing from the Industry, we believe in Holistic approach of experiential learning with hands on Practical knowledge based with strong theoretical concepts.

Extra-curricular activities of sports, clubs, E-cell, Tech fest, internships, Educational tours also plays a vital role in learning's of the students that's how we imbibe all these during the course of learning. Placement and training Wing along with Industry – Institution – Interaction cell gives students exposure to Expert sessions, Training, Effective communication and grooms students for "Entering into World of Work"

Though our Journey has just begun, we assure you to get "Industry ready "with a proven track record of 80 years of Kuttukaran Legacy. Guiding Management, dedicated teachers, Understanding parents and supportive stake holders will together make the "Learning ambience" and we vouch for this. "May I now, take this Opportunity to welcome all the stakeholders to be part of this Endeavour and be with us to Excellence

# PRINCIPAL'S DESK

**JILJA RAJESH**

Welcome to Kuttukaran Polytechnic College, where we strive to edify, empower, and explore the potential within every individual. As the Principal of this institution, it is my pleasure to share with you our vision, mission, and commitment to excellence.

At Kuttukaran Polytechnic College, we aim to facilitate the growth and evolution of capabilities, turning them into tangible competencies. Through our rigorous academic programs, practical training, and industry-relevant curriculum, we ensure that our students develop employability skills that meet the demands of the ever-evolving job market. Our college management, deeply rooted in the automobile industry, understands the importance of skill development in today's competitive world. We are dedicated to providing a platform for students to explore and improve their individual skill sets. We constantly strive to cater persistently to the demands of the industry. By nurturing partnerships with leading organizations, we stay abreast of the latest trends and technological advancements.

This collaboration allows us to equip our students with the necessary skills and knowledge to excel in their chosen fields. Our dedicated faculty members, who are experts in their respective domains, ensure that our students receive the best guidance and mentorship throughout their educational journey.

We take pride in our college slogan, "Edify, Empower, Explore," which embodies our commitment to nurturing well-rounded individuals who are not only academically proficient but also possess strong character and values.

I invite you to embark on this exciting journey with us at KPTC. Discover your true potential, develop valuable skills, and unlock a world of opportunities. Together, let us strive for excellence and create a brighter future.

## Motivational Training Session "Anandham" by R J Sarath at KPTC

On 1st June 2024, R J Sarath, a renowned trainer, conducted a motivational training session titled "Anandham" for all staff members at KPTC. The session, held from 10:00 AM to 4:00 PM at the KPTC Seminar Hall, aimed to inspire and motivate the staff to enhance their personal and professional well-being. The training focused on fostering a positive mindset, improving work-life balance, and creating a happier, more productive work environment. Through engaging activities and insightful discussions, R J Sarath shared practical strategies for building inner happiness and achieving success, leaving a lasting impact on all participants.

## KPTC and NSS Volunteers Celebrate World Environment Day with Tree Plantation Drive

On 5th June 2024, in observance of World Environment Day, KPTC along with NSS volunteers distributed over 100 plants to the residents of Karumalloor, a nearby village. This initiative aimed to promote environmental awareness and encourage green practices within the community.

## Subros Placement Drive at KPTC on 5th June 2024

A Subros Placement Drive was conducted at KPTC on 5th June 2024. The drive provided an excellent opportunity for students to explore potential career opportunities with Subros, a leading company in the industry.

## KPTC's Computer Engineering Department Signs MoU with Grapesgenix Technical Solutions

On 10th June 2024, the Computer Engineering Department of Kuttukaran Polytechnic College signed a Memorandum of Understanding (MoU) with Grapesgenix Technical Solutions Pvt. Ltd.. This collaboration aims to enhance academic-industry ties, providing students with valuable exposure to real-world technical solutions and career opportunities in the field.

## MSIL Executive Director Visits KPTC & Convocation Ceremony for PVSL Graduates on 11th June 2024

On 11th June 2024, Mr. Ram Suresh Akella, Executive Director of MSIL (Maruti Suzuki India Limited), along with his team, visited the Kuttukaran Polytechnic College campus. Their visit included discussions on potential collaborations and industry insights. In addition, the Convocation Ceremony for the PVSL Service Advisor and Technician batches was held on the same day. The ceremony was graced by the Honourable Managing Director, Mr. J K Paul, Mr. Raj Narayan (CEO), and other officials from PVSL, who were part of the event, celebrating the successful completion of the training program by the graduates.

## KPTC Student Justin Gigi Gifts Portrait of Actress Anarkali Marakkar at Interpoly Arts Competition 2K24

During the Interpoly Arts Competition 2K24 held at GPTC Kunnampalam on 19th June 2024, Justin Gigi, a 5th Semester Civil Engineering student from our college, gifted a portrait he had drawn of Actress Anarkali Marakkar, along with a beautifully crafted photo frame, to the actress. His gesture was a highlight of the event and showcased his artistic talent and appreciation for the actress's work.

# KPTC Shines at Arts Fest 2K24, Secures 12th Position and Top Self-Financing College Title

The four-day Arts Fest from 19th June 2024 to 22nd June 2024 at GPTC Kunnumkulam, Thrissur, proved to be an excellent platform for students to showcase their talent. KPTC students participated enthusiastically in various events, bringing home remarkable results. This year, our college secured an impressive 12th position overall among several participating institutions. Even more exciting, we emerged as the top-ranking self-financing college, a proud achievement that highlights the dedication and skill of our students. Congratulations to all the participants for their hard work and passion. We look forward to even greater success in the future!

## KPTC NSS Team Participates in Anti-Drug Day Event Organized by Excise Department

On June 26th, 2024, the NSS (National Service Scheme) team of KPTC participated in a significant event organized by the Excise Department in observance of Anti-Drug Day. The program was held at the Paravur Municipal Townhall, aiming to raise awareness about the dangers of drug abuse and promote a drug-free society. The NSS volunteers actively engaged in the event, representing our college and showing their commitment to social responsibility. The program included discussions, seminars, and awareness sessions, contributing to the ongoing efforts to combat drug abuse in the community.

## YUVA Chapter of KPTC Successfully Completes Induction Program and Executive Committee Formation

YUVA Chapter Successfully Completes Induction Program and Executive Committee Formation. The YUVA Chapter of KPTC successfully held its Induction Program for the new academic year, marking the beginning of an exciting journey for the students. The event also featured the formation of the Executive Committee for the year. We were honored to have Mr. Hans Habeeb, the YI Kochi Coordinator, as a guest for the event. Mr. Habeeb not only graced the occasion with his presence but also conducted the first Executive Committee meeting, setting the tone for a productive and impactful year ahead. Congratulations to all the newly elected student committee members.

## **Celebrating the Dedication and Teamwork of the KPTC Admission Team: A Successful 2024-2025 Enrollment Season**

From June 21st to July 24th, 2024, the KPTC admission team at Kalamassery Polytechnic College worked tirelessly, dedicating long hours to ensure the smooth and efficient processing of admissions for the 2024-2025 academic year. Their commitment and teamwork played a crucial role in managing the entire admission process. Congratulations to the entire team for their outstanding effort and teamwork in making this admission season a success.

## **Introductory Session on UBA Household Survey: Empowering NSS and UBA Volunteers for Effective Survey Execution**

On 24th July 2024, an introductory session on the UBA Household Survey was conducted at the KPTC Seminar Hall. The session was led by the Project Assistant from Alangad Panchayat, who provided valuable insights into the structure and methodology of conducting the survey. The session aimed to ensure that both NSS (National Service Scheme) and UBA (Unnat Bharat Abhiyan) volunteers were well-informed and prepared to carry out the survey effectively.

## **Digi Kerala Survey 2024: NSS and UBA Volunteers Assess Digital Literacy in Alangad Panchayat**

From 26th July 2024 to 30th July 2024, the NSS volunteers and Unnat Bharat Abhiyan (UBA) volunteers from your college conducted the Digi Kerala Survey in Alangad Panchayat, covering all the wards of the region. The goal of the survey was to assess the digital literacy and access to technology in the local community, which is essential for the implementation of various digital initiatives under the Digi Kerala project.

## KPTC's Compassion in Action: Flood Relief Collection for Wayanad

From July 31st to August 2nd, 2024, a flood relief collection point was set up at the KPTC to gather essential materials for those affected by the recent floods in Wayanad. After organizing the collected materials, the volunteers handed over everything to the district collection point, which was located at the Regional Sports Centre, Kadavanthra.

## The Milano Super Cup Football Tournament 2024: KIHRD Clinches the Title

The Milano Super Cup Football Tournament was held on 13th August 2024 at the football turf. Teams from various engineering departments participated in this exciting event, including Mechanical Engineering, Automobile Engineering, Civil Engineering, Electrical and Electronics Engineering (EEE), Computer Engineering, KIHRD (Kerala Institute of Human Resource Development). After a series of thrilling matches, the KIHRD team emerged victorious, winning the coveted Milano Super Cup.

## KPTC First-Year Students Visit CIAL Solar Plant: Exploring Renewable Energy Innovations

On 14th August 2024, the first-year students from KPTC visited the Solar Plant of CIAL (Cochin International Airport Limited) as part of their study program. This educational visit provided the students with valuable insights into renewable energy, particularly solar power, and how it is being harnessed at one of the world's first fully solar-powered airports.

## Independence Day 2024: KPTC Celebrates with Patriotic Fervor

On 15th August 2024, the Independence Day was celebrated at the KPTC campus with great enthusiasm. Dr. Prasanna Singh, Director of Kuttukaran Institutions, hoisted the national flag during the flag hoisting ceremony. The event was attended by Ms. Jilja T M, Principal of KPTC, along with Mr. Sandeep, the Dean, as well as staff and students of the institution. The ceremony was marked by patriotic fervor, with the national anthem sung and a speech highlighting the importance of independence and the country's progress.

## Independence Day 2024

The celebration began with the flag hoisting ceremony, which was conducted by Dr. Prasanna Singh, the Director of Kuttukaran Educational Institutions. One of the most unique and captivating performances of the day was a roller skating performance by an NSS volunteer, who skilfully performed with the national flag.

### **"Ek Ped Maa Ke Naam": KPTC Volunteers Lead Tree Plantation Drive in Alangad**

As part of the UBA (Unnat Bharat Abhiyan) program, the KPTC volunteers took part in the "Ek Ped Maa Ke Naam" tree plantation initiative in Alangad village on 16th August 2024. This environmental campaign aimed to promote the importance of trees and encourage a sustainable future. The volunteers actively participated in planting trees across the village, contributing to the beautification of the area and helping to combat environmental challenges like deforestation and climate change.

## KPTC Launches Waste Free Kerala 2024: A Step towards Sustainability

On 19th August 2024, Ms. Jilja T M, the Principal of KPTC, inaugurated the Waste Free Kerala 2024 scheme at the KPTC campus. The program, aimed at promoting cleanliness and waste management, was launched with the participation of the General Superintendent, Heads of Departments (HoDs), staff, and students. The initiative encouraged everyone at KPTC to actively participate in maintaining a clean and sustainable environment. It focused on reducing waste, promoting recycling, and fostering awareness about the importance of waste management in achieving a cleaner Kerala. The inauguration marked the beginning of the campus's commitment to this eco-friendly mission.

## FRAMES OF MIND: CESA Celebrates World Photography Day with Competition

On 21st August 2024, in connection to World Photography Day, CESA (Civil Engineering Students' Association) conducted a photography competition. Anandhu P S, a first-year Mechanical Engineering student, won the First Prize with a cash award in the event titled FRAMES OF Mind. The Second Prize was awarded to Amalraj, a student from the 5th Semester Electrical and Electronics Engineering (S5 EEE).

## S5 Civil Students Lead Composting Project Under Waste Free Kerala 2024 Initiative

On August 23rd, 2024, as part of the Waste Free Kerala 2024 initiative, the 5th Semester Civil Engineering (S5 Civil) students at KPTC campus began producing compost using organic waste. This eco-friendly project aims to promote sustainability and waste management by converting organic waste into valuable compost, contributing to a cleaner and greener environment.

## S5 Computer Engineering Students Explore Innovation at Srishti Technopark

On 23rd August 2024, the 5th semester Computer Engineering students embarked on an educational visit to Srishti Innovative Technopark in Trivandrum. This visit was a part of their curriculum to gain practical insights into the industry. The students had the opportunity to explore the cutting-edge technology and innovation hubs within the park, engage with industry professionals, and learn about the current trends in computer engineering and software development.

## Inauguration of Diploma Program for Working Professionals at KPTC

On 1st September 2024, the inauguration of the Diploma Program for Working Professionals was held at the Seminar Hall, Kuttukaran Polytechnic College. This new initiative is designed to offer working professionals an opportunity to enhance their skills and knowledge while continuing their careers. The event was attended by faculty members, industry experts, and the first batch of enrolled professionals. During the inauguration, the significance of continuous learning and the benefits of the program were highlighted. The program aims to provide participants with practical and up-to-date knowledge that can be directly applied in their respective industries.

## Volleyball Selection Trials at KPTC for State Inter-Poly Sports Meet

On 5th September 2024, the Volleyball Selection Trials for the State Inter-Poly Sports Meet were conducted at the KPTC campus. The event witnessed an enthusiastic participation of around 50 students, who showcased their skills and teamwork in hopes of securing a place in the college volleyball team. The trials were a rigorous process aimed at identifying talented players who would represent KPTC in the upcoming state-level competition. The selection was carried out by our experienced Physical Education Teacher, with a focus on technical proficiency, fitness, and overall performance. The trials were a key step in preparing the team for the state event, promoting sportsmanship and physical fitness among students.

## KPTC Celebrates Excellence: Best Performing Award 2024 Winners Announced

Congratulations to Ms. Neema, Ms. Ravathy R, Mr. Arun Krishna R, and Mr. Dheeraj M B on being awarded the Best Performing Award for 2024. Such an accomplishment is a testament to their dedication, passion, and hard work in shaping the minds of students. We wish them to keep up the great work and continue inspiring others with their exceptional teaching.

## **S5 EEE Students Explore Hydroelectric Power Generation at Panniyar Power Station**

As part of their Industrial Visit, the Fifth Semester EEE (Electrical and Electronics Engineering) students visited the Panniyar Power Station in Idukki on 6th September 2024. This visit provided the students with an excellent opportunity to explore the operational aspects of a hydroelectric power station. During the visit, the students gained hands-on experience and valuable insights into power generation, distribution systems, and the latest technologies used in the energy sector.

## Civil Engineering Students Explore Cement Production at Malabar Cements, Walayar

As part of their study program, the Fifth Semester and Third Semester Civil Engineering students visited Malabar Cements in Walayar on 11th September 2024.

The visit provided the students with a comprehensive understanding of cement production processes, the technology used in manufacturing, and the various quality control measures implemented in the industry. Students were able to witness first-hand the steps involved in cement production, from raw material processing to the final product.

### KPTC Celebrates Onam 2024: A Vibrant Festival of Tradition and Joy

The Onam festival at the KPTC campus on September 13th, 2024 sounds like a vibrant and exciting celebration.

### NSS Day 2024: KPTC Celebrates Volunteerism and Community Service

NSS Day was celebrated on 24th September 2024 at the KPTC campus with great enthusiasm. The event was graced by Mr. Sandeep, Dean, who hoisted the NSS flag to mark the significance of the day. Following the flag hoisting, an Oath-Taking Ceremony was conducted by the NSS volunteers, where they pledged to serve the community and contribute positively to society through various social initiatives and activities. The celebration highlighted the importance of volunteerism, social responsibility, and community service, inspiring students to actively engage in meaningful NSS activities throughout the year.

## REVV UP REVEAL: Automobile Engineering Students Explore BMW Motorrad Innovations

The "REVV UP REVEAL" automotive brand awareness program, coordinated by #99bhp, the student association of the Automobile Engineering Department, on 27th September 2024 was a great success. The event was held in association with BMW Motorrad Kochi and aimed at enhancing students' knowledge of the latest trends and technologies in the automotive industry. The program featured the esteemed presence of Mr. Prajeesh Premachadran, Technical Manager at BMW Kochi, and Mr. Ambro, a Brand Staff member from BMW Kochi, who shared their expertise and insights on BMW motorcycles, their technology, and innovations. The initiative was designed to provide students with valuable exposure to exotic vehicles, and the department aims to bring more such experiences in the future through the REVV UP REVEAL program.

## S5 EEE Students Visit 400 kV Substation at Madakkathara: Exploring Power Distribution

On 30th September 2024, the Fifth Semester EEE (Electrical and Electronics Engineering) students visited the 400 kV Substation at Madakkathara. This industrial visit provided the students with an excellent opportunity to understand the operations and importance of high-voltage substations in the electrical power distribution system.

## Hydro Power Project field visit

On October 1st, 2024, the Third Semester EEE (Electrical and Electronics Engineering) students visited the Hydroelectric Project at Pallivasal. This visit provided the students with a comprehensive understanding of hydroelectric power generation and the technology behind it.

## Green Initiatives

On 2nd October 2024, the NSS Unit of KPTC set up a vegetable garden at the KPTC Campus. This initiative aimed at promoting sustainable living and environmental awareness. The garden serves as a hands-on project for students, fostering a sense of responsibility towards nature and encouraging them to adopt eco-friendly practices. It also aligns with the principles of self-sufficiency and organic farming, providing students with an opportunity to learn about agriculture and contribute to the campus's green initiatives.

## Kalaripayattu championship

Anandhan J, a Third Semester Computer Engineering student, achieved remarkable success at the District Level Kalaripayattu Championship held at the PWD Hall, North Paravoor, on 29th September 2024. He won the First Prize in the Urumi Veeshi event and the Second Prize in Chuvadu. This outstanding achievement highlights Anandhan's dedication, skill, and discipline in the traditional martial art of Kalaripayattu. His success not only brings pride to himself but also to the KPTC community. Congratulations to Anandhan J for his impressive performance.

## Industrial Visit to Bull Machines Pvt. Ltd.

On 9th October 2024, students from the Third and Fifth Semester of the Automobile Engineering Department visited Bull Machines Pvt. Ltd. in Coimbatore as part of an Industrial Visit. During the visit, students had the opportunity to explore the manufacturing processes and technologies used in the production of heavy machinery and equipment. They gained insights into the latest advancements in the automobile industry, as well as practical knowledge about machinery design, assembly, and quality control.

## Alangad Panchayat Declares Digital Literacy Achievement

On October 10th, 2024, under the Digi Keralam 2024 initiative, Alangad Panchayat (our UBA village) officially declared that it has achieved digital literacy. As part of this significant achievement, students from Kuttukaran Polytechnic College conducted a comprehensive survey to assess the community's progress in digital literacy. The efforts of the students were instrumental in evaluating the impact of the initiative and ensuring that the declaration was based on accurate data. Additionally, UBA volunteers from our college were present at the declaration function, actively contributing to and celebrating this milestone for the community.

## Poojavepp

On October 10th, 2024, a Poojavepp (a traditional religious ceremony) was conducted at KPTC. The event was held with reverence and devotion, bringing together students, faculty, and staff to seek blessings and offer prayers for the well-being and success of the institution and its members.

## KPTC Annual Day-2024

The KPTC Annual Day was inaugurated on October 15th 2024 by the esteemed Chief Guest, Dr. Ani Abraham, Joint Director of SITTR, who marked the occasion by lighting the ceremonial lamp. The event was further graced by the presence of several distinguished personalities, including, Dr. Prasanna Singh, Director of Kuttukaran Educational Institutions, Ms. Jilja Rajesh, Principal of KPTC, Mr. Ramachandran Nair, Principal of KIHRD, Thrissur, Mr. Raju, Principal of KIHRD, Ernakulam, Mr. Sandeep, Dean of KPTC. Their presence added prestige to the occasion, making it a memorable and meaningful celebration for all. During the event, the Chief Guest, Dr. Ani Abraham, presented the Academic Excellence Award to the following outstanding students for their exceptional academic achievements, Jubel, Computer Engineering, with a CGPA of 9.7, Vinayak, Computer Engineering, with a CGPA of 9.1, Aju, Automobile Engineering, with a CGPA of 8.9.

## Hands on Training

On October 19th, 2024, an LED Series Set Making Workshop was organized by Electrix for the First Year EEE (Electrical and Electronics Engineering) students.

The workshop aimed to provide practical knowledge and hands-on experience in designing and assembling LED series circuits. Students were guided through the process of understanding the components involved, the circuit design, and the overall assembly of the LED series set. This workshop helped the students enhance their skills in circuit construction, electrical components, and their applications in real-world projects.

## Participation of Hackathon 2024

Abhinav K and Abhirami Vinod from the Fifth Semester Computer Engineering and Shaham Mubeen from the Third Semester successfully participated in the IEDC Hackathon on the topic "Build On Blockchain using Tezos" at NIT Calicut, as part of the IEDC Summit 2024.

## Celebrating Diwali

Highlights of the October 31, 2024, Diwali celebration hosted by the NSS team at Kuttukaran Polytechnic College.

## Paper presentation at 31st Swadeshi Science Congress

At ICAR-CIFT, our faculty and students participated in the 31st Swadeshi Science Congress. Mr. Akash Balraj, HoD, Automobile Engineering, accompanied by fifth semester Automobile Engineering students Lakshmi Priya and Udhay Krishna presented a paper titled "assessment of Customer Satisfaction of Electric Motor Vehicles: A small step towards zero emission with special reference to Ernakulam." On November 7th, 2024, and Mr. Mohammed Basil, a Civil Engineering fifth semester student gave a paper on Mivaan technology.

## PVS Internship Interview at Kuttukaran Polytechnic College

Interview for a PVS internship on November 8, 2024, at Kuttukaran Polytechnic College. The program was attended by final-year engineering students from every branch.

## Visit of an Industrialist:

The activities of Kuttukaran Educational Institutions and prospective associations were the subject of a productive conversation during the visit of Mr. Siddarth Bhandhari and Ms. Shivali Bhandhari from Bhandhari Automobiles, West Bengal.

## Campus Visit of Mr. Vigneshwar, President of FADA and Mr. Manoj Kumar P, President of KADA

Campus Visit of Mr. Vigneshwar, President of FADA and Mr. Manoj Kumar P, President of KADA on November 19th, 2024, had a fruitful discussion about the operations of Kuttukaran Educational Institutions and future associations

## Innovation and Technical Excellence

The first-year students from the Department of Electrical and Electronics Engineering (EEE) at Kuttukaran Polytechnic College showcased their innovative skills and technical prowess by manufacturing an LED series set in a remarkably short time span. The launch of the LED series set was graced by the presence of our esteemed Director, Dr. Prasanna Madam, who inaugurated the initiative. In a gesture of encouragement and support, Dr. Prasanna purchased the first set of the product, symbolizing her appreciation for the students' dedication and ingenuity.

## Ground Breaking Innovation

Remarkable achievement of our students Missab and Raishan from the Computer Engineering Department, along with Amsudh and Joseph from the Electrical and Electronics Engineering Department. Under the guidance of Academic Advisor, Dr.T.Dhanalakshmi and the faculty advisor, Mr. Abyn from EEE, they successfully developed an innovative product, the "Automated Rain Gauge and Rainscape App". This groundbreaking product was showcased at the prestigious UDYAMA 1.0 exhibition, held in Trivandrum from December 7th to 9th, 2024.

## Christmas Celebration

The Kuttukaran Educational Institutions celebrated the joyous occasion of Christmas on December 21st, 2024, with a vibrant and heart-warming event held at the KPTC Seminar Hall. The celebration was marked by an infectious atmosphere of festivity and camaraderie, bringing together faculty, and staff from various wings of the institution.

## Successful Conclusion of NSS Camp at PSMGLP School

The NSS (National Service Scheme) camp, held from December 23rd to 30th, 2024, at P S M G L P School Puthenvelikara was inaugurated with much enthusiasm by Smt. Rosi, the President of Puthenvelikkara Panchayat. The ceremony saw the presence of several dignitaries, including Sri. Sreejith, Ward Member, Smt. Jijja Rajesh, Principal of KPTC, Shri. Sandeep, KPTC Dean, Heads of Departments (HoDs), staff members, and enthusiastic students, all gathered to mark the beginning of a week-long camp filled with service, learning, and community outreach. On December 30th, the closing ceremony of the NSS camp was graced by Sri. Sreejith, the Ward Member, who appreciated the hard work and dedication shown by the volunteers throughout the week. The event also saw the presence of Smt. Jilja Rajesh, the PTA Chairperson, who congratulated the students for their active participation and expressed her gratitude to the NSS Programme Officers for their guidance and support during the camp. Best Volunteer of the Camp

A special mention was made of Amarnadh, who was awarded the title of the "Best Volunteer" Best camper award to Thoufeeq for their exceptional commitment, leadership, and hard work throughout the camp. Best Group Award: Group 3 was honoured with the Best Group Award for their outstanding teamwork, coordination, and collective effort in carrying out various activities during the camp. A highlight of the closing ceremony was the handover of a new podium to P S M G L P School, a gift sponsored by the NSS KPTC. The KPTC Principal, Smt. Jijja Rajesh, officially handed over the podium to the PTA Chairperson of PSMGLP School, Smt. Rajasree.
